

FUNDING OF RESEARCH FELLOWSHIPS ON MULTIPLE SCLEROSIS

The "Associazione Italiana Sclerosi Multipla [Italian Sclerosis Society] (AISM) and its Foundation (FISM), opens the "2017 AISM calls that encourages the recruitment of young researchers in the field of multiple sclerosis research through:

- **Research fellowships**
- **Senior Research fellowship**

Following curricular aspects will be considered:

1. PhD or Master's Degree
2. Seniority of degree or PhD.
3. Any periods of specialisation with qualified Italian/foreign Institutions.
4. Qualification in issues and techniques relating to the project.
5. Previous experience in the field of research into multiple sclerosis.
6. Scientific publications, with particular attention to the quality of the magazines where they are published, the position of the proponent's name among the authors, the issues dealt with.
7. Any invitations to international congresses.
8. Any special assignments or previous fellowships granted.
9. Any funding from national or international Agencies.
10. Fellowships in the 2017 FISM Calls are researchers of non-profit Institutes, either public or private, performing research activities consistent with the statutory purposes of the Foundation.

Italian citizenship is not a requirement, except for the case that the fellowship is utilised outside the Italian territory.

Duration:

- Research fellowships have a maximum duration of two years.
- Senior Research fellowships have a maximum term of three years with the possibility of renewal for a further period of two years.

Financing

The maximum amounts are indicated by typology:

- Research fellowships: the annual amount is Euro 24,000 for fellowships used in Italy, and 33,000-38,000 Euro (depending on the hosting country) for those used abroad.
- "Senior" research fellowships: the annual amount is Euro 32,000 for fellowships used in Italy, and 40,000-45,000 Euro for those used abroad (depending on the hosting country).

Deadline: May 12th, 2017
