

PhD fellowships available at the San Raffaele Telethon Institute for Gene Therapy (SR-Tiget) in Milan

Applications are now open for the *International PhD Course in Molecular Medicine* academic year 2018-2019 at the Vita-Salute San Raffaele University in Milan.

<http://www.unisr.it/en/medicine-and-surgery/ddr-internazionale-in-medicina-molecolare/#howtoapply>

Have a look at the SR-Tiget laboratories proposing PhD projects in the *Program in Gene and Cell Therapy* and in the Curricula in *Basic and Applied Immunology and Oncology*, *Cellular and Molecular Physiopathology* and *Neuroscience and Experimental Neurology* as SR-Tiget fellowships.

If interested in this opportunity, candidates must tick the box “SR-TIGET - 5 research fellowships for projects to be performed at SR-TIGET laboratories”, and then select the specific projects of interest, as well as the box “Program in Gene and Cell therapy” in the online application form.

Application deadline: 23rd July 2018
